</table>

**Stakeholder**

- CBD
- UN Sustainable Development Goals (SDGs) (2015)
- NEW YORK DECLARATION ON FORESTS (2014)
- TROPICAL FOREST ALLIANCE 2020 (2012)

**Forest and Deforestation**

- Aichi Target 5: By 2020, the rate of loss of all natural habitats, including forests, is at least halved and where feasible brought close to zero...
- Aichi Target 4: By 2020... Governments, business and stakeholders... have implemented plans for sustainable production and consumption
- Aichi Target 18: Traditional knowledge, and practices of indigenous and local communities will be respected
- Target 15.2: by 2020, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests...
- SDG12: “Encourage companies... to adopt sustainable practices and to integrate sustainability information into their reporting cycle”
- Cut natural forest loss by 50% by 2020, and strive to end it by 2030⁶
- Help meet private sector goal of eliminating deforestation from the production of agricultural commodities such as palm oil, beef and paper by 2020⁷
- Committed to achieve zero net deforestation by 2020 for palm oil, soy, beef, and paper and pulp
- APOI commits to adopting locally-adapted tools such as the HCV and HCS concepts
- Latin America and Southeast Asia: aims to eliminate deforestation from key⁸ agricultural and other forest commodity supply chains
- Africa: Africa Palm Oil Initiative (APOI) aims to transform palm oil sector into a sustainable driver of low carbon development⁹

**Supply Chains**

- Help meet private sector goal of eliminating deforestation from the production of agricultural commodities such as palm oil, beef and paper by 2020⁷

**Human Rights/Tenure**

- Aichi Target 18: Traditional knowledge, and practices of indigenous and local communities will be respected
- No explicit SDG goals on human rights: addressed indirectly³
- SDG1 on ending poverty contains targets and indicators on land ownership
- Strengthen forest governance and empower communities - recognising the rights of indigenous peoples, “especially those pertaining to their lands and resources”
